Dear Linda:

On behalf of the Plano Public Library System, I would like to thank you for your appearance as Luau Linda in the "Incredible Bubble Show" at all five of our libraries this summer. Our children were transfixed with the many ways you were able to create bubbles of all sizes and with all types of items. I especially appreciate how you incorporate science into your program so that the children learn and have fun simultaneously. I, for one, will never forget the unique experience of standing inside a bubble – that's something most people will never have a chance to do!

Again, thank you for sharing your unique talent with the children of Plano.

Sincerely,

A handwritten signature in cursive script that reads "Connie Charron".
